West Virginia Policy 3234 (School Calendar) indicates that counties operating in excess of the instructional minutes use accrued time to avoid adding instruction days to make-up five days missed due to school closures for inclement weather. - ❖ January 8, 2018
- ❖ January 16, 2018
- ❖ January 17, 2018

If an additional cancellation is necessary, the (OS) days will be made up as follows:

- ❖ February 19, 2018
- ❖ March 28, 2018
- ❖ March 29, 2018
- ❖ April 3, 2018
- ❖ May 29, 2018
