

LSIC Meeting

12/10/19

Attendance: Janet Myers Eikey, Shannon Marsh, Sean Cronin, Lara Himrod, Stacy Dietz

Safety

- Leave drop off the way it is
- PreSchool slowed it doen for a while
- We have 5th grade crossing guards in place

Social Media Presence

- One way street – cant' respond – prefer to call school
- Positive as we can be

Mapping

- We did very well compared to county and state
- Looking at ways to improve
- After Christmas, will be practicing IMA's
- Lower grades – PALS info and listing
- 3 major goals
 - Test in fall, retest in spring to see growth
- Teachers list strategies, non-text book
- Wants to show parents data to see where their children compares to the average

Math Club

- Mrs. Stapel on Mondays does drill of basic facts

Behavior

- Last thing we want to do is suspend a child
- Laws/safe school laws – balance to make it work
- Can't discuss other student consequences with others other than own parent
- Four individual behavior plans on record right now/ whole school pbis for most

Special Permissions Focus on...

- Attendance
 - Attendance affects our school rate
 - Writing warning letters to two students who are missing
 - After 135 days, the attendance rate is against WLES, even if child transfers

Digital Marquee

- OCS fit the bill for our marquee as it was struck by lightning

Other items

- Mr. Cronin requested to begin a breakfast ALL PRO DADS Club at BES building character
- We will meet and discuss with staff
