

Bethlehem Elementary School

LSIC GOALS FOR THE 2019/2020 ACADEMIC YEAR

Climate and Culture Goal

BES will increase staff awareness of social and emotional wellness of students.

How will you measure success?

- Professional development by Administrators/ Teachers Counselors in areas that support social and emotional awareness making us a Trauma Informed School.
- PLC's to discuss the social/emotional needs of our *Handle with Care* students followed up by end of year plan for summer.**
- Review the WV School Climate Survey.
- Meet with mental health specialists regarding caseload within school and discuss progress and sustainability.
- Create opportunities outside of the classroom so that the students gain exposure to new things.
- Student Council will be elected to encourage student choice. We will survey their desires on how to improve school climate at the beginning of the year and then at the end of the year see the changes that came about.

English Language Arts Goal

BES will increase student mastery on targeted skill deficiencies identified on the our ELRS, PALS, and WVGSA

How will you measure success?

- MTSS groupings are created for progress monitoring.
- Principal will take a targeted group to work on fluency.
- SAT Team will continue to review progress throughout each nine-week period to see if additional testing is required.
- Students in grades 3,4,5 will take the IMA's to allow more exposure to the platform of the WVGSA. We will compare the fall with the spring IMA.
- Teachers will use the IMA's as bell-ringers.
