

LSIC Goals – TMS – 2019-20

1. **Mathematics** - TMS LSIC will find ways to encourage increased parent involvement in our school math endeavors in order to raise the proficiency levels of our at-risk students.
2. **Mathematics** - TMS LSIC will strive to increase student awareness of the implications of mathematics in career and future life pursuits through practical and hands on applications.
3. **PBIS - (Social Media/Cyber Issues)** - TMS LSIC will further parent and student awareness of the ramifications of negative behavior. They will also assist in furthering awareness of discipline and attendance issues on long term success.
